Large volume planters meet the demanding requirements of Landscape Architects and serious gardeners.

Left: 42" planter in Ipe wood with Zephyr banding.

All planters are built to order.
CUSTOM SIZES available.

- Design insulates root ball from sun's baking rays and hides drip irrigation lines
- Liners with drainage control make them perfect for balconies and rooftops (made from recycled low-density polyethylene)
- Marine-anodized Aluminum legs, Stainless Steel fasteners, HDPE Feet
- Wood panel options: Lyptus, Jatoba, Cumaru, Ipe or COM
- Trellis, self-watering liner, casters or security foot pads optional
- Ships flat-packed with panels assembled
- Coordinating recyclers and signage available
- For every planter sold, DSD will plant 50 trees through **Trees for the Future** (www.plant-trees.org)
